

HEALTH UNIT: SECTION 10
Filling Out Medical and Family History Forms

SIGHT WORDS

Directions: These are high frequency sight words that do not “play fair” phonetically. Students will need to recognize them automatically, on sight. Do a quick student check for reading (and for spelling if time allows). Add a word to a student’s sight word study list only if it is not known automatically.

From Section 10 forms:

father
mother
daughter
son
weight
patient
