The Doctor Orders a Test

Directions: Listen to the dialogues. Then practice them with a partner.

Dialog #1: Pablo Villa hurt his knee. He has an appointment with his doctor.

Dr. Dean: Pablo, I want you to have an x-ray of your knee.

Pablo: OK. Where do I go for the x-ray?

Dr. Dean: You can go to the community hospital. My nurse will call them and order the x-ray. Can you go there now?

Pablo: Yes.

Dr. Dean: The hospital will send the x-ray report to me. I'll look at the report and call you.

Dialog #2: Karina has a high fever. She has an appointment with her doctor.

Dr. Dean: Karina, I want you to have a blood test.

Karina: OK. Where do I go for the blood test?

Dr. Dean: You can go to the lab on the first floor. Take this lab slip with you. Can you come back to my office after the blood test?

Karina: Yes.

Dr. Dean: The lab will send the blood test report to me. My nurse will call you when I am ready to see you.
