Directions: Students listen to the instructor pronounce a vocabulary word aloud three times while pairing the word with its picture. Ask students to orally identify the “beat” (syllable) that is the LOUDEST (stressed). If appropriate, they can circle the stressed beat below. Students then repeat the word aloud, putting emphasis on the stressed beat.

Directions: Students will listen for a target vocabulary word as the instructor reads the text aloud naturally, up to three times. Ask students to count how many times they hear the target word in each section. Then, if appropriate, they can listen again and follow along with the printed text. Ask them to circle the target word.

Target words: **alcohol, alcoholic**

It is illegal in the United States for people under the age of 21 to buy alcohol.

A: What kind of beer is this?

B: It's non-alcoholic beer.

A: Does that mean there's no alcohol in it?

B: That's right. No alcohol.
