

Directions: Pretend that you are an interpreter. Explain to the health care provider in English how the patient is feeling, and how long the symptoms have been happening.

For example: *Lupe has had a runny nose for one week.*

	<p>Lupe</p> <p>one week</p>
	<p>Gia</p> <p>a month</p>
	<p>Sylvia</p> <p>two days</p>
	<p>Lou</p> <p>24 hours</p>
	<p>Chun</p> <p>three days</p>
	<p>Khalid</p> <p>6 hours</p>
