

This *LINCS Professional Development Guide for Program Management* shares evidence-based professional development learning opportunities through the Literacy Information and Communication System (LINCS) for instructors, program administrators, professional developers, state staff, and more. LINCS is a national leadership initiative of the U.S. Department of Education’s Office of Career, Technical, and Adult Education (OCTAE), which seeks to expand evidence-based practice in adult education.

### LINCS Community

The [LINCS Community](#) provides adult educators with opportunities to ask questions, learn from peers, share expertise, and attend virtual live events presented by experts in the field. The 13 moderated online Community groups focus on core professional development topics, and the corresponding group for this topic is listed below. Instructions on how to join a group are available on each group’s home page. Join and subscribe to notifications today!

Link to Join	Target Audience
<a href="#">Program Management Group*</a>	Adult education program administrators of adult basic, adult secondary, and/or adult English language programs, and others.

\*A [LINCS account](#) is required to join, and to post and reply in discussions. Certificates of attendance are provided for live events.

### LINCS Courses

[LINCS courses](#) are evidence-based, self-paced professional development online courses for adult educators. Below are courses available for this topic with downloadable certificates of completion.

Log in or [create an account](#) to take courses.

Self-Paced Courses Available	Time	Target Audience
